Report of Independent Registered Public Accounting Firm

To the Partners of:
Grant Williams, LP

We have audited the accompanying statement of financial condition of Grant Williams LP as of December 31, 2016, and the related statements of loss, changes in partners' capital, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended. These financial statements are the responsibility of Grant Williams LP's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Grant Williams LP as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of Grant Williams LP's financial statements. The computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission is the responsibility of Grant Williams LP's management. Our audit procedures included determining whether the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission reconciled to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the

information presented in the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission. In forming our opinion on the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission, we evaluated whether the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission, including its form and content is presented in conformity with 17 C.F.R. & 240.17a-5. In our opinion, the computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission and the reserve requirements and possession or control requirements under Rule 15c3-3 of the Securities and Exchange Commission is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

(a) Organization and Nature of Business:

The Company provides securities services including executing principal transactions, agency transactions and offering advisory services.

(b) Basis of Presentation:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(c) Use of Estimates:

The presentation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Securities:

The Company acts as an introducing broker and forwards all transactions for its customers to another FINRA member firm on a fully disclosed basis. GRANT WILLIAMS, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 2 – RECEIVABLE FROM AND PAYABLE TO CLEARING ORGANIZATION

Receivables from the clearing organization represent agency commissions earned net of clearing costs and fees. Payables to the clearing organization represent minimum clearing fees in excess of clearing fees paid. The clearing organization retains the right to adjust the clearing deposit requirement to ensure adequate collateralization.

NOTE 3 – SUBORDINATED BORROWINGS

The borrowings under subordination agreements with limited partners at December 31, 2016, are listed in the following:

Subordinated Notes, 9 percent, due March 31, 2020	75,000
Total	<u>\$ 75,000</u>

GRANT WILLIAMS, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 4 – EXPENSE SHARING AGREEMENT

The Company and Clark Capital Management Group, Inc. (“CCMG”) share office space at the Company’s main address. The Company and CCMG entered into a renewable Expense Sharing Agreement on January 1, 2016 whereby the Company pays a monthly fee to CCMG for the use of office space, computers, equipment and office supplies. Total rent and office usage expense for 2016 was \$9,600. This agreement may be terminated by either party by providing one months notice. NOTE 5 – RELATED PARTY TRANSACTIONS

The Company and CCMG have entered into a solicitor referral arrangement pursuant to SEC Rule 206(4)-3, through which employees of the Company solicit clients to participate in the investment advisory activities of CCMG. CCMG paid the Company \$0 in solicitor fees for this service during 2016.

GRANT WILLIAMS, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 6 – CONCENTRATIONS OF CREDIT RISK AND OTHER MATTERS

The Company keeps its cash with high credit quality financial institutions. The account balances may exceed the FDIC insurance limit.

The Company clears its introduced transactions through another broker-dealer, which is highly capitalized, and a member of all major securities exchanges. Nonperformance by its clearing broker in fulfilling its contractual obligations pursuant to securities transactions may expose the Company to risk and potential loss.

The Company is engaged in various trading and brokerage activities whose counterparties primarily consist of broker-dealers and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counterparty or the issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Monitoring procedures are utilized to minimize the risk of loss from accounts receivable. The company generally does not require collateral or other security from its investment banking customers. During the fiscal year ended December 31, 2016 the company recognized approximately 97% of its revenue from two customers.

NOTE 7 – GUARANTEES

FASB ASC 460, *Guarantees*, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying related to an asset, liability or equity security of a guaranteed party. FASB ASC 460 also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of the indebtedness of others.

The Company guarantees all of the customer margin accounts balances held by its clearing broker. The Company is responsible for payment to its clearing broker for any loss, liability, damage, cost or expense incurred as a result of customers failing to comply with margin or margin maintenance calls on all margin accounts. The margin account balance held by the clearing broker as of December 31, 2016, was \$0. In the event of any customer default, the Company has rights to the underlying collateral provided. Given the existence of the underlying collateral provided as well as the negligible historical credit losses, the Company does not maintain any loss reserve.

GRANT WILLIAMS, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE 8 – FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET CREDIT RISK

In the normal course of business, the Company's customer activities include the execution and settlement of various customer transactions. These activities may expose the Company to off-balance sheet credit risk in the event the customer is unable to fulfill its contractual obligation to pay for securities purchased or deliver securities to settle sale transactions. These customer omissions could expose the Company to the risk of loss if the Company were required to purchase or sell securities to offset the customer transaction at prevailing market prices. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and to monitor the execution practices employed by the clearing agent.

NOTE 9 – NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of the aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and the Company's debt to debt-equity ratio shall not exceed 70%. At December 31, 2016, the Company had total net capital of \$38,900, which was \$ 33,900 more than its minimum net capital requirement of \$5,000. In addition, the Company's ratio of aggregate indebtedness to net capital was .5211 to 1 and its debt to debt equity ratio was 0% at December 31, 2016. Management anticipates that the partners will provide sufficient capital to ensure compliance with the SEC Net Capital Rule.

NOTE 10 – INCOME TAXES

The Company is taxed for federal and state purposes as a partnership. As a result, the Company is not a taxpaying entity for federal or state income tax purposes and, accordingly, no income tax expense or tax benefit has been recorded in these financial statements. Income or losses from the Company are reflected on the Partners' income tax returns.

Federal, state and local income tax returns for years prior to 2012 are no longer subject to examination by tax authorities.

NOTE 11 – SUBSEQUENT EVENT

In preparing these financial statements, the company evaluates events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and or disclosed on the financial statements. Such evaluation is performed through February 27, 2017. Based on the definition and requirements of the Subsequent Event Topics of FSAB accounting standards codification, management of Grant Williams, LP is not aware of any subsequent events that would require disclosure in the financial statements.
